Attached is the ice contract and worksheet. The contract page provides information about the term as a whole. If you sign up for any particular sessions, you are committed to those classes for the term. The calendar sheet is provided as a worksheet for the contract page. Please do not figure out your monthly ice bill. The Treasurer will total this for you and will send you a monthly coupon with the amount. (see below)

INSTRUCTIONS: Fill out the worksheet and signed contract page. **Submit only the Contract Page.** You may place your contract in the "Ice Contract" box (not the Blue Treasurer Payment Box) or mail to:

AFSC, P.O. Box 1494, Ames, IA 50014

ICE CONTRACTS MUST BE POSTMARKED BY **AUGUST 23rd** in order to avoid paying a late fee. Contracts postmarked after the due date will be charged a \$10.00 late fee and added to your coupon.

PAYMENT: Ice bills are due on the first of the month following the month skated and are considered late on the 16th of the month. A monthly bill will not be mailed to you. After receiving your contract page, the Treasurer will make out a coupon sheet for each skater that shows what your 4 equal monthly payments will be. (Your locker payment will be included in this coupon). If for some reason ice is cancelled, any credit due will accumulate and be applied to the December bill. You will be notified of adjustments to this bill. Your check must be received by the first of the month either through the mail, or in the drop box. A \$10.00 late payment fee will be assessed for each month your payment is late.

CONTRACT CHANGES: Any change made to your contract after it is signed will be assessed a \$5.00 change fee and added to your last ice bill for the contract period. (This fee is not assessed when your coach makes a request because of their lesson schedule. Also, the change fee is not assessed when you add to your contract).

QUESTIONS: Contact Kim Bode by email: kimbode@mac.com, or phone 515-232-3932 before 9:00 pm.

PLEASE NOTE: The Club reserves the right to cancel any session that has less than 4 skaters registered for that session. You will be notified if any skating sessions are cancelled.
