From the President

I can't believe the skating year is almost over.

I'm so excited for the show, and I loved seeing everyone in their costumes at picture night. It's always exciting to look back at old show videos and pictures and see the growth in the kids I've known. I suppose I should go on some sentimental stream here, considering that our show is called "Moments in Time," but lucky for you, I'm not feeling that sentimental today.

Thanks to all those who have put in hard work to help us get ready for another show this year.

One big change you should be aware of is that we're reducing the number of mornings on which we will offer club ice next fall. We will still have the opportunity to skate every day, but we needed to cut back in order to keep our ice costs competitive and make the best use of our club ice time.

With these changes, we will also be looking at changing solo and feature requirements for next year's show. Any summer camp time that you buy counts toward reaching those hours, so make sure to sign up! If you have any ideas about how we can make summer camp more valuable to your skater, let me know.

I look forward to finishing the year strong with a great show, and resting up through the month of May. Enjoy the show, and enjoy your break!

Deanna Maifield
AFSC President
