

Moments in Time Picture Night Friday, April 19

All cast members-Please be at the ice arena at 4:50pm in your first costume.

There will be locker rooms provided for changing. Signs will be posted on the locker room doors with the list of skaters for each room. Once you are finished with pictures for one number, please change quickly and return to the lobby. It will help the schedule run smoother if we are not looking for skaters.

For picture night, you may wear your hair as you wish but please wear any accessories your costume came with.

Picture night is a crazy, busy time and we need everyone's cooperation at getting ready as quick as possible so we can keep the lines moving. Be prepared for a long night and some waiting.

We ask that no one leave the ice rink (not even for dinner) once they arrive. Please eat before or after your pictures. If a skater must have a snack at some point, **DO NOT DRINK/EAT IN THE LOCKER ROOMS OR WITH A COSTUME ON.** Past experience dictates this requirement.

Thanks! Kelly Gillette, Picture Night Chairperson
