initial I understand a signed contract must be on file with AFSC before skaters are allowed on Club Ice. When contracting a session, it begins with the first session through the last day of the session. You may not pick and choose dates within a session.

initial I understand that any special AFSC sessions added in addition to the above contract are not included in this Ice Contract nor will I be reimbursed for any ice sessions that are cancelled due to weather, coach absence or any other unforeseen circumstances.

initial I understand that my skater will not be allowed on Club Ice if account balance is more than one month overdue.

initial I understand that the Monday, Tuesday, and Thursday morning ice will initially be figure freestyle offered by the rink, and I must check in at the front desk. A credential will be provided to me to show that I have contracted and paid for this ice. Allowing any other skater to use this credential is prohibited and will result in fees and loss of skating privileges. These sessions may change to standard club ice as the skating season progresses.
